

L'AUTRE MANGOT 2019

A mindful selection of grapes from the terraces
and southern hillsides of the vineyard

We have been working in the fullest respect
of our vineyard for more than 10 years now:
no use of weed killer or fungicide.

100% Cabernet Franc

The winemaking process is as natural as possible: we
use **native yeast** and **do not add any sulphite** or
any other product.

It is aged for 8 months in **amphoras** and terracotta jars
to preserve the purity of its fruit...

From clay to clay...
Respectful, Identity, Todeschini.
